Watch pictures come alive

24M Full High Definition (FHD) LCD TV (Rs. 17,990 — Introductory price)

Mirc Electronics (Onida) launches a 24M Full High Definition (FHD) LCD TV in the country. Most other LCD TVs offer Full HD only on their 32" (81 cm) range and above. The feature-packed product includes Movie TV — a USB 2.0 port that allows users to play movies, listen to music and watch pictures; HDMI — Connects digital audio or video sources; VisD Image Engine — for refined picture quality; 70,000:1 — a remarkable dynamic contrast ratio that brings pictures to life; 200 Watts PMPO; Iplayon; 5* energy efficiency; and simple SURF. The product is available through Onida's vast network of dealers across the country.
